Dear Sir,

PART 145 – UK CAA APPROVAL OF MAINTENANCE ORGANISATION EXPOSITION

We acknowledge receipt of your recent correspondence.

The CAA in accordance with the maintenance procedures covered by Section B of the Technical Arrangement on Maintenance (TA-M) between UK CAA and Canada TCCA, approves Issue 2 Rev 1 dated 20/06/2022, of your TCAA Supplement reference STORM/MOE/TCCA/Part 8.

This Exposition approves the following:

Revised issue to comply with requirements of new TA-M

This supplement approves the performance of maintenance services on Canadian registered aircraft subject to compliance with Part-145 requirements and the specific regulatory requirements as detailed in Section B of the Technical Arrangement on Maintenance (TA-M).

In respect of your TCCA Approval the scope of ratings and limitations shall not exceed that which is specified in the organisations Part 145 certificate and scope of approval.

Please ensure that all copies of the Exposition are similarly amended.

The status of your organisations recognized or approved under the terms of this TA-M, for maintenance of aircraft under the jurisdiction of TCCA, can be found at the CAA website; (<https://www.caa.co.uk/Commercial-industry/Aircraft/Airworthiness/Organisation-and-maintenance-programme-approvals/List-of-approved-organisations/>)

Yours faithfully
Simon Fulbrook
