This License declares that the above entity satisfies CAAB criteria(s) as per Air Navigation Order (ANO) for establishment of AMO/MRO in Bangladesh dated 08 May 2017 and Civil Aviation Circular (CAC-AIR)-03/2019 dated 27 August 2019 to carry out the business relating to Line Maintenance (limited to Foreign Air Operators only) at Hazrat Shahjalal International Airport, Dhaka, Shah Amanat International Airport, Chittagong and Osmani International Airport, Sylhet in the territory of Bangladesh. Having no objection, CAAB has 'Permitted' the aforesaid entity for CAT L-1 i.e. for providing services of AMO for LINE Maintenance not involving schedule check business applicable to Foreign Air Operators only. However, this License is an administrative license to conduct the said line maintenance business in the territory of Bangladesh and CAAB will not bear any responsibility of the conditions in relation to safety aspects since the Part-145 license has been issued by another contracting state of ICAO and the License Holder is only permitted to provide the aforesaid services to the aircrafts not registered in Bangladesh Registry. The business shall be carried out in accordance with the prevailing Rules/Regulations/ANOs/Circulars of CAAB, Bangladesh Bank, National Board of Revenue, BIDA and other relevant government organization(s).

The License shall be considered void as soon as the above mentioned Part-145 Certificate issued by another ICAO Contracting State is invalid and this License will be revoked or suspended if the license holder fails to comply with the prevailing Rules/Regulations/ANOs/Circulars of CAAB, Bangladesh Bank, National Board of Revenue, BIDA and/or other relevant government organization(s).
